The participants arrived in Graz on Wednesday, 2nd May.

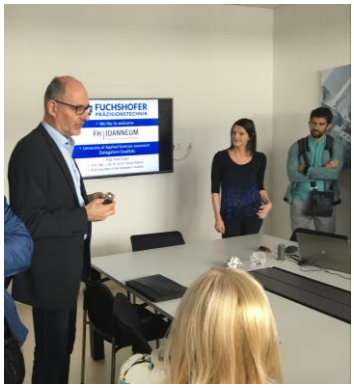

1st day of the meeting:

The participants were welcomed by the Head of the institute Dr. Georg Wagner on 3rd May in the FH Joanneum lobby. The whole group visitied on the first day the company Fuchshofer Präzisionstechnik GmbH http://www.fuchshofer.at in the town of Eibiswald. We were welcomed by the owner of the company Mr. Fuchshofer, Mrs. Bäck the assistant and also by the dual study student Mr. Schein who is studying Production Technology and Organization on FH Joanneum. The emphasis was on the cooperation of the company and the university, which is very good. Dual study students are highly appreciated due to their knowledge. The organization of the internship is a challenge because the student alternates three months company three month University. The Serbian colleagues had many questions regarding the cooperation, organization, the relations, legal status, mentoring (mentors or supervisors in the company and on the university), documentation (writing reports, learning outcomes, assessment etc). The groups has also visited the production site and had the opportunity to talk to the owner and the student.

After lunch the work continued in the rooms of FJ Joanneum, where Mr. Haas and Mr. Hochrinner had presentations of the concept of the dual higher education – characterization and differentiation of models and also how to get started with dual higher education – success factors and barriers.

Presentation of the company Fuchshofer by the student Mr. Schein

Dr. Georg Wagner about cooperation between company and university.

Mr. Haas explaining the concept of dual study programs.

2nd day of the meeting:

The second day began with a visit to the company of PIA Automation GmbH in Grambach - https://www.piagroup.com/en/ Mrs. Danijela Ernst, Head of HR department presented the whole PIA group and also the cooperation with FH Joanneum. She described it as a flexible and very good working model. The dual study student Mr. Haar made a tour around the production site and also explained his view on the concept of dual education.

In the rooms of FH Joanneum the whole group reflected on both excursions and discussed the idea and solutions. Mr. Haas presented key curricular and organizational elements for cooperation and integration of the study program.

In the afternoon Mr. Manuel Pichler as a student of the master program joined the group to talk about his experience on the dual study. He also answered numerous questions by the project meeting participants.

On the second day the project coordinator also presented the schedule of up-coming activities and planned meetings. Serbian partners are having a national conference on the topic of dual study and work based learning in Nis on 14th of June. Next meeting of the project steering committee will be held in Kragujevac, Serbia on 4th and 5th July. Each project partner has to prepare missing documents and check the progress of the activities in the corresponding work packages. All documents have to be uploaded in the cloud drive of the project.

Mrs. Ernst; head of HR at PIA Automation presenting the company and explaining the cooperation with FH Joanneum.

Mr. Haas talking about the challenges of the cooperation.
