IMPLEMENTATION OF DUAL EDUCATION IN HIGHER EDUCATION OF SERBIA

DualEdu

WP2 Flexible and Generic Dual Higher Education Model

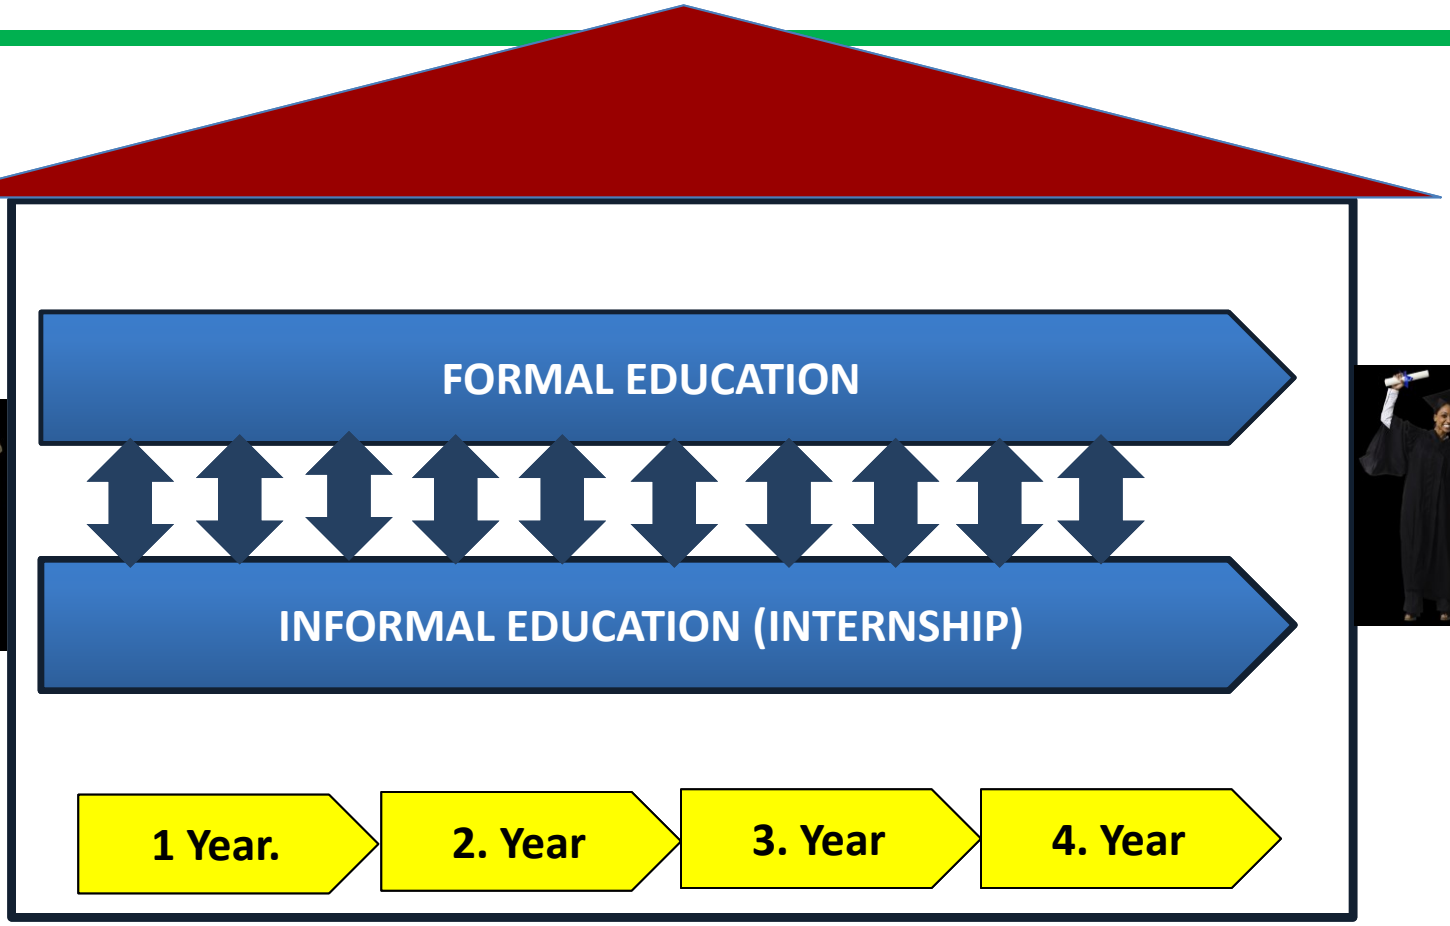

Prof. Dr Dragan Domazet

Goal

- To develop a flexible and generic Dual Higher Education (DHE) model
  - **Flexible -** in terms of DHE program concept, duration of internship, engagement of students & company, paid or free internships
  - **Generic** – can generate different company-specific DHE models
- Idea – to support different, company-specific DHE models

Integration of Formal and Informal Education

Activities

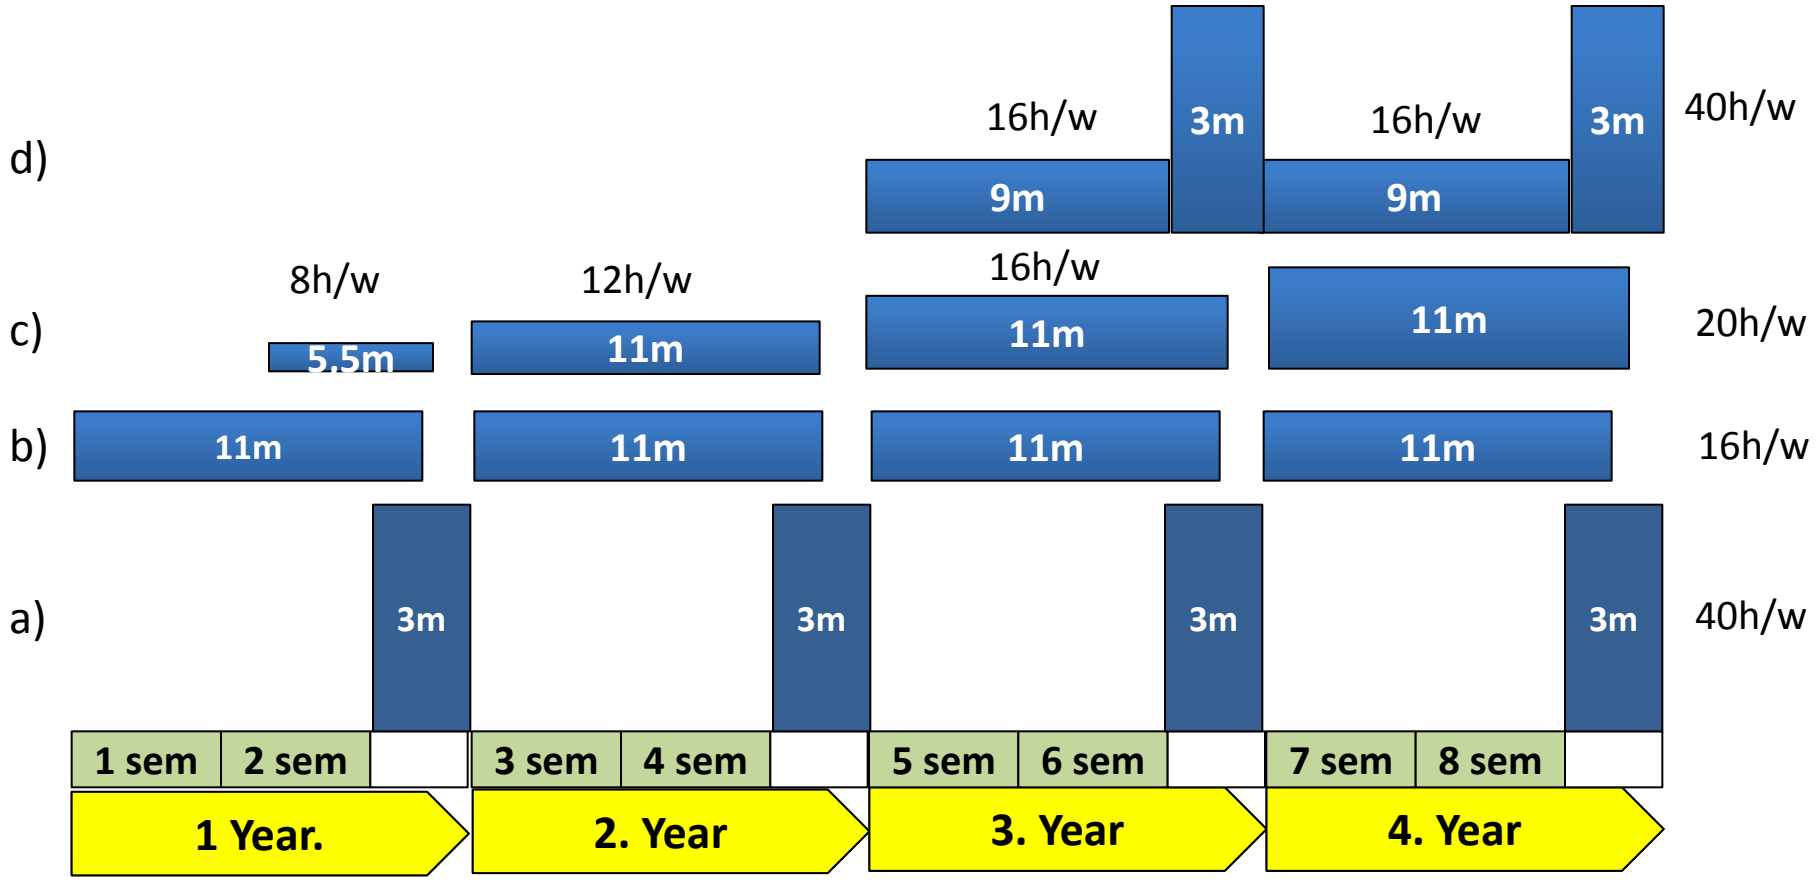

- 2.1 Development of a **flexible and generic Dual Higher Education Model** for Serbia
- 2.2 Organization of **Conference** on DualEdu added value to industrial sector
- 2.3 Discussion **Forum** on the proposed DHEM model with key stakeholders and policy maker

2.1 Development of a flexible and generic Dual Higher Education Model for Serbia

- DHE model will summarize needs and requirements of different stakeholders in DHE (companies, HEIs, students) and results from WP1
- This document will present a basis for generation of specific DHE programmes.

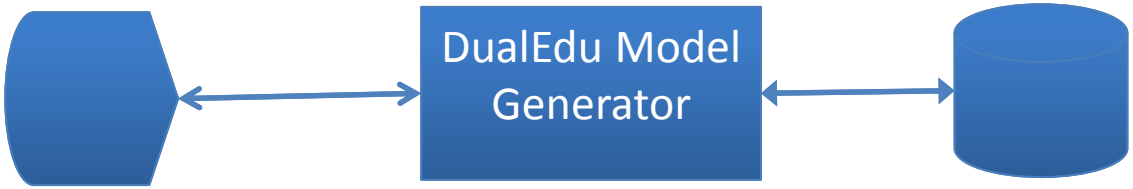

Examples of Different Dual Education Models

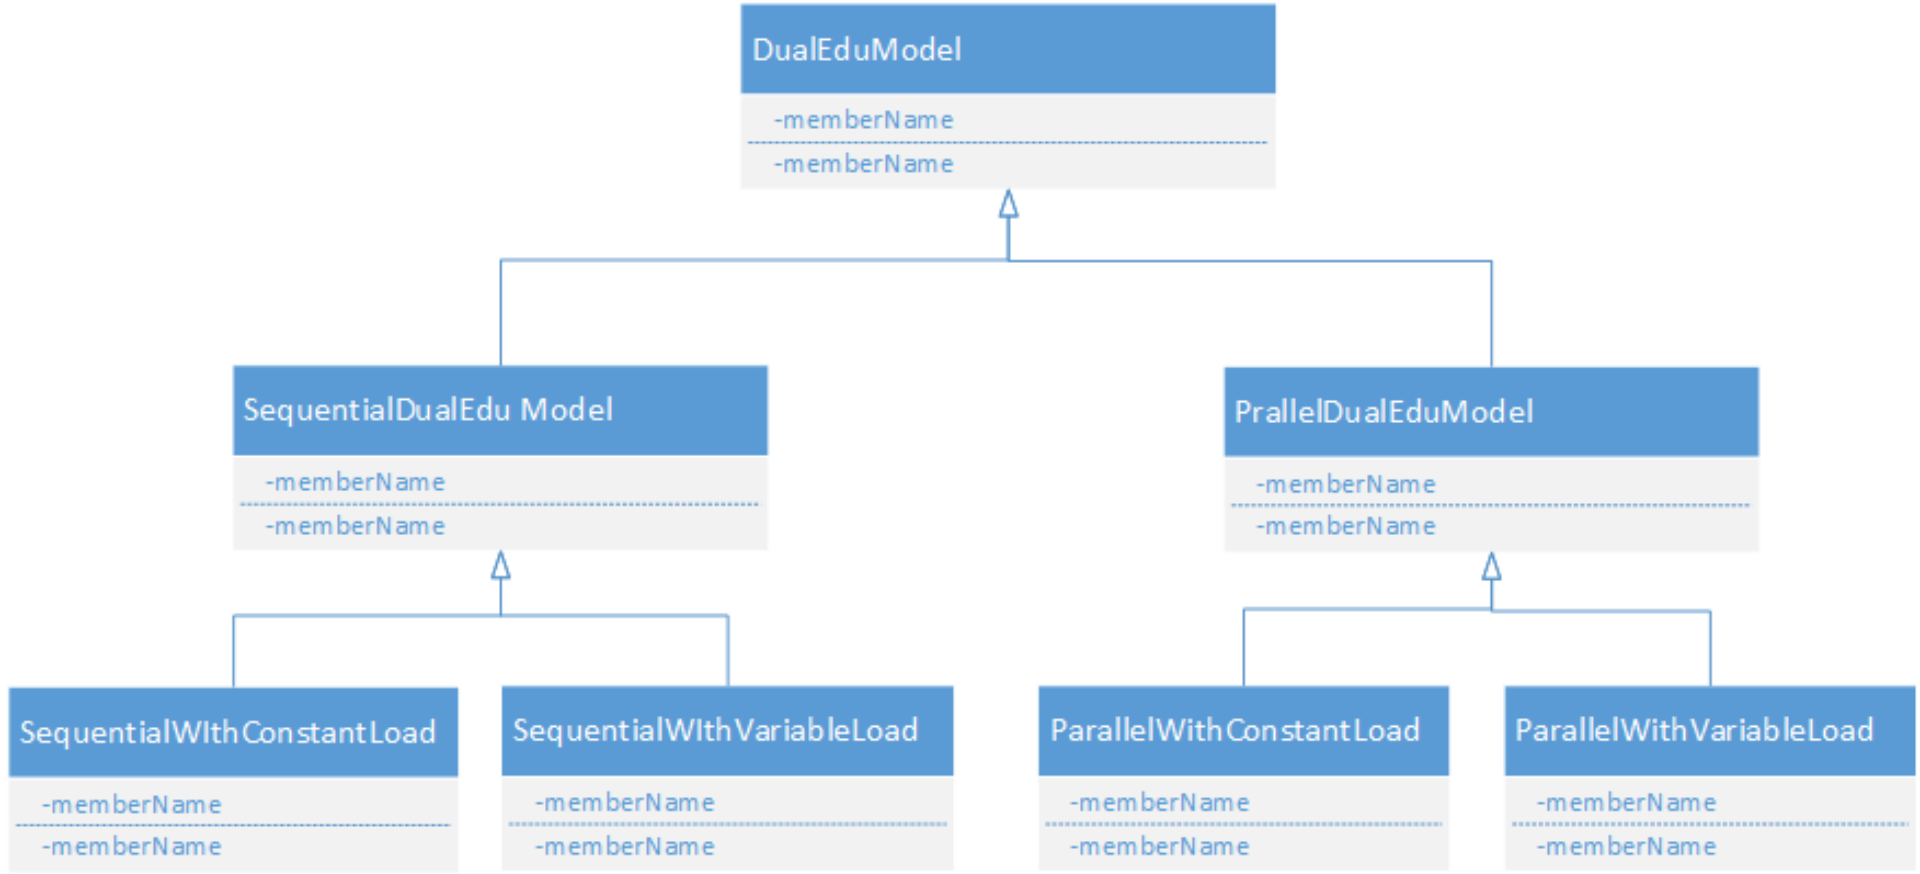

Software for Generation of Specific DualEdu Models

- We are planning to develop a software to support users to select, specify and generate their specific DualEdu model
  - With all needed data and statistics
- A user can analyse and compare different models and select the most appropriate one

Partial Class Diagram of DualEdu Models

2.2 Organization of Conference on DualEdu added value to industrial sector

- The Conference is to be held in Niš (at the BMU Centre), with involvement of representatives of partners from partner countries and representatives of companies from different Serbian industrial sectors.
- Companies will present their needs and ideas for specific DHE models
- The organization of Conference is with special contribution of partner NiCAT.

2.3 Discussion Forum on the proposed DHE model with key stakeholders and policy maker

- The project consortium will present the draft version of the flexible and generic DHE model
- Opportunity to obtain opinions and ideas of key stakeholders and policy makers regarding the flexible and generic DHEM.
- The minutes of Discussion Forum will be used for polishing the draft version of DHEM.
- The conference will be organized in Belgrade (UB)
