WP3 - Creation of Legal and Other Conditions for Implementation of DHE in Serbia

Related assumptions and risks	**A: There is the support for DHE from the Government of the Republic of Serbia** **R : There is the risk of the change of priorities in governmental policy** **R: The authorities are not willing to accept the proposed amendments to the laws** **R: The Accreditation Commission is not willing to accept the proposed amendments to accreditation standards**		
Description	Three working groups for each legal act (one working group will consider Law on Higher Education and Law on Dual Education) will be established. These working groups will create the documents with the proposal of the amendments for considered legal acts and submit them to the authorities. In the first phase, the documents will follow the legal practice from programme countries considered within the WP1. The changes in all other secondary laws connected to these laws will be proposed and submitted to the authorities, as well. In addition, at the final six months of this WP a document on Recommendations to HEIs in Serbia on how to implement DHE will be created. ***Milestone: 3 working groups established and start their work by the end of M6 of the projects***
